

***Tire & Wheel***  
**Coverage Cancellation Form**

I wish to cancel my Tire & Wheel and have my unearned portion of my Tire & Wheel cost refunded to me. I understand this refund will be calculated per the terms of my Tire & Wheel Addendum and that you will credit the principal balance of my loan if my loan is unpaid and will refund directly to me if the loan is paid in full. Copies of my Tire & Wheel contract and INSTALLMENT AGREEMENT are attached.

I further understand and accept that this cancellation will totally VOID all protection provided by the Tire & Wheel contract for the entire term of the loan and I will have no recourse or claim against The Company or the originating dealer in the event of a total loss or unrecovered theft to my vehicle.
