

Program Coverage Cancellation Request Form

I wish to cancel my Program(s) Coverage and have my unearned cost refunded to me. I understand this refund will be calculated per the terms of my contract and that you will credit the principal balance of my loan if my loan is unpaid and will refund directly to me if the loan is paid in full. Copies of my Contract and supporting documentation are attached.

I further understand and accept that this cancellation will totally VOID all protection provided by the contracts for the entire term of the loan and I will have no recourse or claim against The Company or the originating dealer in the event of damage to my vehicle.
